

70th General Synod of the Bible Presbyterian Church  
**RESOLUTION**

Grand Island, New York • August 3-8, 2006

Resolution 70:3  
**Women in Combat**

**T**he 70th General Synod of the Bible Presbyterian Church meeting in Grand Island, New York, August 3-8, 2006 believes that a military draft that includes women and a military that involves women on the lines of combat are both contrary to Biblical teaching. Therefore, to help protect our young women, we go on record against women forced into combat. (Deuteronomy 22:5.)
